

Master Surgical Coding in Otolaryngology 2024
October 26, 2024
Tampa, FL

Target Audience

This activity is designed for an audience of Physicians, Non-Physician Providers, Billing Managers, Coding/Billing Staff, Administrators, and Revenue Cycle Directors.

Learning Objectives

Upon completion of the educational activity, participants should be able to:

- Compliantly apply new and revised otolaryngology CPT codes into your practice.
 - Use surgery coding that meets CPT rules and government regulations, for commonly performed procedures.
 - Correctly code common general surgical procedures
 - Identify areas for improvement in surgical documentation reviewing real life operative reports
 - Integrate ENT subspecialty coding principles in otology/neurotology, rhinology, laryngology, facial plastics, allergy and audiology services
 - Accurately apply modifiers when they are required and understand their impact on reimbursement
-
